## Trattoria San Carlo

"Trattoria San Carlo" is located in Genoa's old historical centre, just a short walk away from the main square, **Piazza De Ferrari**.

The restaurant dates back to the old days, but has just been completely renovated. Here you may savour typical traditional recipes from Genoa and Liguria in a warm and relaxing atmosphere.

It is the ideal place to sit back, alone or with friends, to enjoy a good glass of wine after a hard day at work, to have a great meal before or after a movie or the theatre, for business lunches, or dinner with friends...

We're open for lunch and dinner Monday through Saturday.  
 We're closed on Sunday but can open upon request for large groups.  
 Would you like to celebrate your birthday, graduation, or any other special event?  
 Do you want to try something different?  
 Let us treat you to some of the best Italian delicacies from all regions!
